

Year 1  
Spring Term 1

# Once Upon a Time

## How do we protect the three little pigs?

### RE

In RE we will be looking at Christianity. We will visit the local church and discuss its different features. We will have a visit from the local reverend to talk about the Christian faith.

### Maths

In maths this term we will be counting, writing, comparing and ordering numbers to 20. We will be building on from our addition knowledge of working with numbers within 20. We will learn what subtraction means and begin to solve different problems.

We will introduce different shapes and discuss patterns as well as practically exploring length and height. We will measure and compare length and height using both our body parts and a ruler.

### PSHE

In PSHE we will be discussing what makes us special. We will talk with our friends about what we like about each other and reflect on how we are all unique.

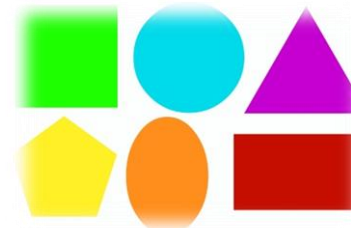

### PE

In PE we will study dance. We will listen to different music and learn how to move to a beat. We will look at different styles of dance and work both independently and with a partner.

### Computing

This term we will learn how to use technology safely and respectfully, and how to keep personal information private. We will learn where to go for help and support when we have concerns about material on the internet or other online technologies.

We will use laptops and begin to learn how to use a computer safely.

### Science

We will continue to look at seasons and the seasonal changes. We will observe changes around the school grounds and discuss the differences with our peers.
