Remembrance Day Friday 11th November

On Friday 11th November all children and staff at Meadowside Primary School observed a one minute silence to pay our respects to those servicemen and women and innocent civilians who lost their lives or were injured during war and conflict. The children showed a great level of respect and maturity for this important occasion. Members of our school JLT along with Miss Lewis and local Beavers, went to the Burton Latimer War Memorial to lay our school wreath. We were very proud of the children who displayed our school values of respect and reflection.

Welcome to our new Parent Governor Louise Jelley

WELCOME ABOARD!

Hello! I am delighted to have recently been elected as Parent Governor for Meadowside Primary School. I was raised in Burton Latimer and attended the school when I was younger. My eldest daughter was a former pupil here and my son has been at the school since 2019. I am keen to help promote and represent Meadowside and look forward to contributing towards maintaining the high standards and achievements the school has secured in recent years. By day, my husband and I run our own business – we are Town Planners and our role involves making places better for people, preserving and improving the environment and securing planning permission for housing, employment and community facilities. I have lived in Burton Latimer for over 30 years and care about the School and the community. I will use my experiences to help support Meadowside Primary School and give back to the School that provided me with such an enjoyable and valuable education.

THANK YOU!

On Monday 14th November to show our support for World Diabetes Day we held a whole school Mufti Day. Children and staff were invited to wear blue in a nod to the blue circle which is the universal symbol for Diabetes. Thank you for all your donations towards World Diabetes Day we raised £111.50. All proceeds raised will go to Diabetes UK.

We would like to extend a huge thank you to all that donated and contributed towards the Poppy Appeal 2022. Thank you to the children who observed our silence in respect of those who have fallen. They behaved impeccably.

School Notices
