

Growing at Meadowside Primary School

## **YEAR 6 RESIDENTIAL**

This year the children went to Longtown Outdoor Learning Centre in Herefordshire for a whole week.

Staff reported exemplary behaviour and a willingness to participate in activities which included; stand up paddle boarding, climbing, canoeing and gorge walking.

They also enjoyed a camp fire and quiz.

Lots of photos are available on twitter for you to enjoy!

## **LEGO WANTED...**

Do you or anyone you know have any Lego at home that your children no longer play with?

We would really appreciate your help in topping up our supplies.

Simply drop it off at the school office.

## **Africa Day**

On Tuesday, Year 6 had an amazing wow day linked to their theme work.

They created t-shirts and took part in an African drumming session, dance and singing.

Congratulations on the fabulous performance you put on after school. We were also impressed with the enthusiasm you showed in dragging your parents and carers up to join in the dancing!

## **Farewell and Good Luck**

We are sadly saying goodbye to Mrs Chishty this week. We would like to say thank you for your hard work and we hope you enjoy some time with your family.

Here are some useful tips on how to safeguard young people online...

### **Keeping safe on WhatsApp**

- If young people are in group chats, remind them to only communicate with people they know
- Be careful in group chats as people can easily see what's being said and get hold of contact numbers, especially strangers
- **If you feel uncomfortable, leave the group and tell an adult**
- You can also block people if need be
- Look out for a profile picture in chats if you are worried – No pic, no click!
- Be extra careful sharing your location on What's App, via settings on the phone we recommend location is switched off
- You can also change the "last seen" information in your settings - again we recommend those are off
- Don't give out personal information in your bio

## *School Clubs*

We have a range of clubs on offer before, during and after the school day. There are still spaces available, so if you not signed up yet have a look on Scopay and get joining.

## **PARENT PARKING**

We are still concerned about parking around school at the start and end of the day.

Both local residents and parents have raised the point of parking over driveways where there are dropped curbs, parking on the double yellow lines and also on corners causing a hazard to pedestrians and other motorists.

We want our children and families to be safe at the start and end of the day so can we kindly ask that we all park considerately.
