Our attendance of Pupil Premium children was 95% compared to National Average 2014 – 15 96%

Our PSW worker supported the children and families of 47% of our Pupil Premium children. This meant these children were happy coming into school, had good routines at home, felt safe and were in a position to focus well on their learning during the school day.

Reception and Key Stage 1 children attending the Sunshine Club really enjoyed the experience. They had really settled lunchtimes and were ready to learn in the afternoons. Due to its success we will be extending the provision for Key Stage 2 children as well during 2015 - 16.

Many families were supported with paying for school visits and after school clubs to enrich their children's experiences. We will introduce a £100 voucher system for 2016 – 17 for all Pupil Premium children.
